

"I will use my card to call my wife and two children. It means everything to me as family is what keeps me going. I serve for my country, family and myself."

*Until they come home,
we'll bring them voices from home.*

Operation Uplink is a unique program of the Veterans of Foreign Wars and its Ladies Auxiliary. It keeps military personnel and hospitalized veterans in touch with their families and loved ones by providing them with free phone cards. Using contributions from supporters like you, Operation Uplink purchases phone cards and distributes them to servicemen and women who are separated from those they care about.
